### REPUBLICAN CONVENTION.

(East San Jose Post)

The Republican county convention last Saturday was one of the most interesting conventions ever held in the county, for several reasons.

The opposition to the present organization wished to get control of the convention and tried their hand when the chairmanship matter came up, but S. G. Tompkins won easily the prize.

Then the convention was noteworthy in that it recognized the capability and popularity of such Democrats as Spitzer, January, Pfister and Roll and they were actually nominated on a Republican ticket. In the words of P. F. Gosbey, "Is there anyone in this convention who for a minute would think of running against such men as Spitzer and January with the hope of winning," and therefore he urged the nomination of "Rick" Pfister by their convention, and that over Al Col, a Republican, who had been placed in nomination by our townsman, Attorney John W. Sullivan. "Rick" was nominated by a large majority.

Then we heard a great deal about "slates"; that Wilbur F. Parker broke the "slate"; that Geo. S. Walker broke the "slate" and that Chief Carroll broke Attorney Johnson's nose (for which he was afterward arrested).

There were other things very interesting to a spectator who was acquainted with past events.

And now many people are won-

dering whether there is any real difference between Republicans and Democrats after all, when it is noticed that such men as "Bilby" Bowden, a life-long democrat has now such influence in a Republican convention. Likewise Attorney Rodgers, (the personal friend of Bryan) and several other former prominent Democrats. It was certainly an interesting convention from any standpoint.

At the Fifth Congressional convention held in San Francisco on Wednesday evening, Congressman E. A. Hayes was re-nominated by acclamation. He was eulogized for his untiring efforts in behalf of the people of this district.

At the Democratic Fifth Congressional convention held in the town of San Mateo last Saturday, H. G. Davis of San Francisco was nominated. We are not acquainted with the gentleman but understand that he is a lawyer of prominence and has received the Independence League nomination as well as the Democratic.

You must register by Sept. 26.

### A Mark of Refinement

Cleanliness of person is one of the most distinguishing marks of refinement, and commands at all times the highest respect. To promote cleanliness, install in your sleeping apartment or dressing room a snowy white, one-piece

## "Standard"

### Porcelain Enameled Lavatory

provided with an abundant flow of hot and cold running water.

"CONVENIENCE"

It is very pleasant and convenient to arise in the morning and have at your touch a proper place for making the toilet, without having to partially dress in order to reach the bathroom—possibly to find it already occupied.

If you can possibly arrange space for a "Standard" Lavatory in your room, the cost will not compare with the resulting comforts.

We have sample one-piece "Standard" Lavatories in our showroom and respectfully invite you to examine them.

### WILL ISSUE BONDS.

#### San Jose Board of Education Will Call an Election.

The Board of Education of San Jose have decided to call a bond election for October 20th for the purpose of rebuilding the damaged school buildings, and the questions which will be submitted to the electors of San Jose are:

"Shall bonds be issued in the amount of \$220,000, bearing interest at the rate of 4 per cent per annum, to run not exceeding forty years, for the purpose of building six school-houses and supplying the same with furniture and the necessary apparatus?"

"Shall bonds be issued in the amount of \$175,000, bearing interest at the rate of 4 per cent per annum, to run not exceeding forty years, for the purpose of building a new High School?"

The \$220,000 which is needed to restore the grammar schools is apportioned as follows: \$50,000 each for new buildings to replace the Grant School, Horace Mann School, Longfellow and Lowell; \$5000 for the completion of repairs on the Lincoln School, and \$15,000 for extra repairs and rooms and repairs on the Washington Grammar School.

Superintendent Sherriffs recommended the following desirable features in the proposed new schools should the bond issue carry, which would make them rank with the best in the State:

"Modern, hygienic rooms in size, shape, and including double the amount of light which was formerly obtained; a modern heating plant and modern ventilating systems; manual training departments, fully equipped; domestic science departments, with provisions for cooking and sewing; physical culture departments, including gymnasiums, shower baths, plunge and tub baths; experimental laboratories."

#### New Rink and Playhouse.

J. Charles Green and Thomas H. B. Varney, the well-known San Francisco capitalists, came to San Jose last Sunday in an automobile and looked over various properties offered for sale in this city. Victor H. Hancock, Varney and Green's local representative, announces that they have bought five pieces of property on South Market street, between San Fernando and San Antonio, with a total frontage of 256 feet 6 inches and a depth of 175 feet, and that furthermore, plans were already in the hands of architects for the construction of five stores, a skating rink and a theater thereon, at a cost of \$110,000, and that work would commence on the buildings by October 1st.

Mr. Hancock states that his employers have unlimited faith in the future of San Jose and hinted that they have other projects in view and that doubtless other money would be invested in this city.

#### Fifteen Acres for "Zoo" Park.

The San Jose and Santa Clara Railroad Company has purchased what is known as the Sanderson place, consisting of fifteen acres just outside of the city limits, and will convert it into a pleasure ground. A park will be laid out and there will be a skating rink, a gravity railroad, a lake with boats, a free theater, swings, small zoological garden and other attractions which are familiar to visitors at the San Francisco Chutes.

Chief, however, amongst the plans of the company is the erection of a grand auditorium to be used for convention purposes. Admission only will be charged at the gate.

Inquiry at the railroad office could not elicit any definite information as to whether the company intends to apply for a new franchise down Twelfth street or whether they will reach the new pleasure grounds by Fourteenth street, along which they already have a franchise.—Mercury.

### EDITORIAL BREVETIES.

Those dense London editors say the laf is on President Roosevelt.

We trust those earthquakes have no idea of making a tour of the world.

Cuba has the generals, if only we will supply the guns and the men behind.

The real trouble in Cuba seems to be that there are not enough offices to go around.

The last thing the Czar thinks about giving the peasants is the first thing they want—justice.

Never knew how easy it was to spell all those hard words till Andrew Carnegie cum along and shode us.

Speaker Cannon might go over into New Jersey and see if a reception would be arranged for him on his return.

Mr. Allison of Iowa is able to remind Mr. Cannon that being a "favorite son" is not what it is cracked up to be.

One already has to look in out-of-the-way corners of the inside pages for news of the widely advertised Joe Cannon boom.

There will probably be some wonder that Cuba has got along so well all this time, with General Leonard Wood in the Philippines.

Doubtless the Nebraska corn crop distinctly heard the shouting for Bryan when he landed. It has tremendous big ears this year.

And if Senator Cullom thinks "Uncle Joe" went "a little too stiff on the stand pat question", wonder what he thinks the President did?

Mr. Rockefeller says that the entire country is living too fast. He is the man who has caused most of the hustling among the small dealers in oil.

Sometimes a person is not to blame for the disgrace of dying rich. Upon receipt of news that she had inherited \$1,000,000 a New York woman fell dead.

The Iowa Democrats have started out to do a great deal of talking during the campaign, and of course the Republicans will have to stand their patter.

Mr. Bryan says that if we can build the Panama Canal we can build and run railroads. However, Senator Morgan is not certain that we can build the Panama Canal.

What license has this man Bryan to go around the country preaching politics? He has been beaten for the presidency twice as many times as I have.—Alton H. Parker.

Mr. Bryan did what was expected of an honest American when, in his New York speech, he commended President Roosevelt for his great efforts to rid the country of law-breaking corporations.

In a double-leaded editorial the esteemed New York Sun dramatically waves Mr. Bryan aside, and triumphantly elects Mr. Roosevelt for another term in 1908. If you see it in the Sun —

The distant roar heard near Washington was not an earthquake. Perhaps it was the shade of Mark Hanna laughing at the idea of a Republican campaign fund being made up of one-dollar contributions.

That great reception accorded Mr. Bryan on his arrival in New York was a worthy tribute to that sterling American whose measurement in brains, character and statesmanship is unsurpassed by any man in the history of this country.

#### Chief Carroll Arrested.

Yesterday Chief T. W. Carroll was arrested by Constable Toomey of Santa Clara on a charge of battery pre-

ferred by Attorney W. H. Johnson. The warrant was issued by City Justice Davison and placed in the hands of the District Attorney, who secured the township constable of the Mission town to execute it. The Chief went before Davison, who fixed his bail at the maximum figure, \$500, and set the case for trial.—Mercury.

**BOARD OF SUPERVISORS.**

**Tax Rate for the Coming Year Set at \$1.58.**

At the Board of Supervisors meeting Monday the following letter from the State Board of Equalization was read relative to this year's taxes:

"Office of State Board of Equalization, Sacramento, September 4, 1906. To the Board of Supervisors of Santa Clara county: The rate of State tax, fixed this day by the State Board of Equalization as the ad valorem rate of taxation levied and to be collected upon each one hundred dollars of the assessed valuation of the property of the State, to raise the specific amount of money required to be raised for the fifty-eighth fiscal year, is 45.6 cents and the said rate was fixed and apportioned as follows:

"For the general fund, 24.3 cents; for the school fund, 18.8 cents; for the State High School fund, 1.5 cents; for the interest and sinking fund, 1.0 cents; total rate of State tax, 45.6 cents.

"And the board also this day, in pursuance of law, declared the levy of an ad valorem tax of two cents upon each one hundred dollars of value of the taxable property of the State for the support of the University of California, making a total tax of forty-seven cents, six mills. \* \* \*

The Supervisors then adopted the following tax rate, which is lower than last year by six cents:

In pursuance of Section 3665 of the Political Code of the State of California, approved April 1, 1897, it is on motion ordered and declared that the length of the main track of the railways and the main track over which Pullman palace cars are operated, assessed by the State Board of Equalization within the County of Santa Clara, for the fiscal year of 1906 is as follows, to wit: Of the Southern Pacific Railroad Company, 59.50 miles; of the Central Pacific Railway Company, 8.50

miles; of the South Pacific Coast Railway Company, 27.40 miles; of the main line of the Southern Pacific Railroad Company, on which the rolling stock of the Pullman Company is operated, 59.30 miles; and that the assessed value per mile of such railways and rolling stock lying in each city, town, school district and road district through which said railways run, as fixed by the State Board of Equalization, is as follows, to wit: Of the Southern Pacific Railroad Company, \$16,260.19 per mile; of the Central Pacific Railway Company, \$20,103.74 per mile; of the South Pacific Coast Railway Company, \$11,898.18 per mile; of the Pullman Company, \$194.97 per mile; and the board in pursuance of said Section 3665 declares the number of miles of track and the assessed value of said railways and rolling stock lying in each city, town, school district and road district in said county, which shall constitute the assessment value of said property for taxable purposes in such cities, towns, school districts and road districts.

A deed from E. Pagel to the County of Santa Clara, granting the right of way for the widening of Campbell avenue is now presented and on motion accepted and the Clerk directed to place the same on record. It is further ordered that the claim of E. Pagel for \$152 for damages on road opening be allowed and paid.

The petition of the San Jose-Los Gatos Interurban Railway Company is now presented, asking for a franchise for an electric railway on Park avenue from Josefa street to the Meridian road. On motion said petition is ordered placed on file.

The regular biennial report of State Treasurer Truman Reeves shows that the total amount of cash received for the two years ending June 30, 1906, was \$26,832,000; the disbursements amount to \$25,305,000, and there was \$6,507,943.03 on hand. At the request of the Government the State Treasurer has segregated the kinds of money on hand. This is done so that the Treasury Department at Washington can readily ascertain the kinds of money that are held from circulation in the United States by each State. The report showed that there are \$4,842,960 in gold double eagles, \$72,190 in gold eagles, \$61,825 in gold half-eagles, \$5,558.05 in silver, and \$110 in nickels and copper coins.

The report was made to the Governor, and after he had signed his approval it was sent to the State Printer, who is preparing it for publication.

An interesting item in the report is the outstanding claims of National Guardsmen of this State for services in the Spanish-American War in 1898. There are 160 of these claims, aggregating \$2,970.

The names of the Guardsmen are known, but their addresses are lacking. This money is in the State Treasury and only awaits the coming of the claimants to get it. The amounts range from \$10 to \$60.

While there are over \$6,000,000 in the State Treasury, the total indebtedness of the State is \$767,529.03. The indebtedness could be paid off in full with the accrued interest, and still the State would have a neat balance on the right side of the ledger.

**Labor Party Endorses Bell.**

SAN FRANCISCO, Sept. 19.—Associated Press—After adopting a resolution declaring against nominating a State ticket, the State convention of the Union Labor party tonight adjourned, then immediately reconvened as a political club and nominated Theodore A. Bell for Governor. It is uncertain whether this action will legally stand as a nomination, inasmuch as the convention had adjourned, but in any event it is considered at least an endorsement of the Democratic nominee for Governor O. E. Trivette. Secretary of the Building Trades Council, in a ringing speech placed Theodore A. Bell in nomination for Governor.

## PRESS NOTES

This Saturday evening the Fraternal Aid Association will have a visit from Robt. R. Rastall, the organizer for this valley. A good program is promised and a large attendance is expected.

E. Pagel and wife left for Milwaukee this week to be absent for some time.

A. E. Harris is seriously ill at his home on Latimer avenue.

A. E. Howe spent a few days in the metropolis.

The deed has passed from E. Pagel to the county for the strip of land necessary to widen Campbell avenue.

Mrs. Hopkins attended Conference.

The tax for running the high school has been set by the supervisors at 18c. on the \$100. This is the lowest rate in the county for high schools.

Mrs. Frances Doolittle, Miss Mary Lewis, and Miss Florence Kennedy are home from Conference.

Mrs. Florence West of Santa Margarita spent this week with her mother, Mrs. Shelly, and her sister, Mrs. Ainsley.

S. G. Rodeck, J. F. Duncan, F. E. Duncan, and E. E. Weeks leave Monday for a week's hunting back of Mt. Hamilton.

Mr. and Mrs. Frank Snyder of Hollister have been visiting their mother Mrs. I. Snyder.

Miss Minnie Holmes spends two weeks at Santa Cruz visiting Miss Edith Wells.

Dr. and Mrs. Needham are home from Conference. Dr. Needham was returned to Campbell for the coming year, to the satisfaction of our people.

Rev. Wm. T. Patchell of San Jose will lecture for the Country Woman's Club next Friday evening, the subject being "Early California History."

Mrs. Rubell and daughters are home after a summer spent at the ranch near Hollister.

Mrs. S. R. Wade is visiting the coast towns on a vacation trip. Miss Florence Wade, who accompanied her, returned in time for the opening of school.

Ada Rebekah Lodge were entertained by a musical program Tuesday night, followed by a banquet. Among the numbers on the program were a vocal solo by Mrs. Luther and one by Miss Madge Clendenin which were much appreciated. The evening was thoroughly enjoyed by all present.

A linen shower for the Oriental Home of San Francisco is announced to take place at the home of Mrs. J. C. Ainsley Tuesday afternoon. The local Woman's Home Missionary Society of the Methodist church has the affair in charge. Anything in the line of table cloths, napkins, towels, pillow slips, sheets and counterpanes will be acceptable. The Home was burned out in the San Francisco fire and the shower is designed to assist in furnishing the new one.

### Grammar School Opens.

School opened with an increase in attendance over last year of eight or ten pupils. The number enrolled at present is 156, distributed as follows: Seventh and eighth grades, 45, in charge of Miss Anna Cooper; fifth and sixth grades, 40, William K. Donlon, principal; third and fourth grades, 43, Miss Ida Fullager; first and second grades, 28, Miss Mary Fablinger.

Many new pupils are expected when fruit work is over. Last year 164 was the greatest number in attendance. This year the number will probably be much greater, as many new families have moved in.

The school house has been replastered and tinted downstairs, and put in good order after the damage done by the earthquake.

### WAS A VERY SICK BOY

**But Cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy.**

"When my boy was two years old he had a very severe attack of bowel complaint, but by the use of Chamberlain's Colic Cholera and Diarrhoea Remedy we brought him out all right," says Maggie Hickox, of Midland, Mich. This remedy can be depended upon in the most severe cases. Even cholera infantum is cured by it. Follow the plain printed directions and a cure is certain. For sale by Farmers Union, Agents.

### Pain from a Burn Promptly Relieved by Chamberlain's Pain Balm.

A little child of Michael Strauss of Vernon Conn. was recently in great pain from a burn on the hand, and as cold applications only increased the inflammation, Mr. Strauss came to Mr. James N. Nichols, a local merchant, for something to stop the pain. Mr. Nichols says: "I advised him to use Chamberlain's Pain Balm, and the first application drew out the inflammation and gave immediate relief. I have used this liniment myself and recommend it very often for cuts, burns, strains and lame back, and have never known it to disappoint." For sale by Farmers Union, Agents.
